Englewood, My Englewood

Tune—"Maryland, My Maryland"

We're all alive, we're boosters, all
For Englewood, my Englewood,
Community, we hear you call
Does Englewood, my Englewood,
We'll make our home a joy for all,
We'll put them far beyond a fall,
Now lots of pep, then over the top,
For Englewood, my Englewood.

We'll tell the world how proud we are,
Of Englewood, our Englewood,
We'll root and boost and never slam,
Dear Englewood, our Englewood.
Its joys are ours, its cares alike,
A chance to work, that's what we like,
So show me now my part to do,
For Englewood, my Englewood.

—By Harry Vernon.

Guessing at Water Rates

A complaint was made last week that a recent bill for water service was too high and the paid bills for the past six months previous were produced to show that it was unusual. The complainant was quietly informed that the meter had not been read for the past four months and that the man had guessed at the bill, and the owner was obliged to pay for the man's guessing ability, which in this case was nearly double the actual and correct amount of the bill. With the number of city employes and the salaries paid them it does seem that time could be taken away from electioneering enough to read the water meters at least. Or if they are to be guessed, why go to the expense of installing the meters?

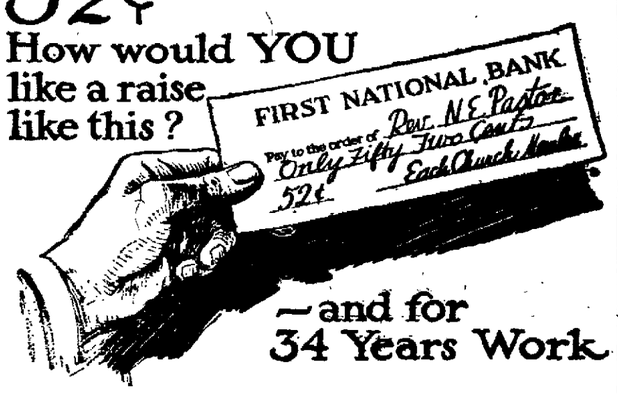
52¢
How would YOU like a raise like this?



—and for 34 Years Work

THAT is the kind of increase in salary the minister has received. His living expenses have risen just as fast and as far as yours.

But he is paid on the average just 52 cents more *per church member* than he was paid 34 years ago.

The Minister Never Fails You

Every officer of the Government with a war message to deliver appealed to the ministers first of all.

But 80% of the ministers receive less income than government economists figure as a minimum for the support of an average family.

When hospitals need money they enlist the support of the ministers—and receive it.

But when sickness visits the minister or the members of his family they must be treated in a charity ward. His pay is less than a day laborer's.

8 out of every 10 ministers receive less than $20 a week—about half the pay of a mechanic.

We Pay Him Half the Wages of a Mechanic

And of these pitifully inadequate salaries, how much do *you* contribute? Nothing if you are outside the church; an average of less than 3c a day if you are a church member.

All of us share in the benefits of Christian ministers to the community. They marry us; bury us; baptize our children; visit us when we are sick. In their hands is the spiritual training of the youth.

We Are All Profiteers at Their Expense

Part of the Interchurch World program is this—a living wage for every minister of Jesus Christ; an efficient plant, and a chance to do a big man's job.

If you want better preachers, help to pay the preachers better. It's the best investment for your community—and for your children—that you can ever make.

Clean Up and Decorate

With the beautiful spring comes the annual clean-up, and with it should come a system of rejuvenating and decorating your premises inside and out. Above all take care of the lawns, you that have them. Plant a few flowers or shrubbery in front of your place, nothing is more pleasing and beautifying. Window and porch boxes add much to the the appearance of a street, and are inexpensive. Let all join to beautify our home district, and everyone doing their little share will help out wonderfully.

Five Good Terms Deserve Another

State representative Frank J. Ryan of 6828 Bishop st. is again announced as a candidate for representative on the democratic ticket, being for his sixth term. Mr. Ryan's nomination will probably be uncontested, as he has made a splendid record in the five terms he has so ably served the state and his election is assured as he always polls an immense republican vote. From a long personal acquaintance with Mr. Ryan and a careful inspection of his record, we can conscientiously recommend Mr. Ryan as an able, reliable and very fitting man for the position and we hope to be able to extend congratulations to him in November. The primaries will be held September 15th.

She has a vivacious way of describing events which held the audience intensely interested to the last. A brief business session followed the exceptional program.

Why Enlarge Auburn Park Hospital?

The average layman is unaware of the terrible shortage of hospital beds in Chicago. We also feel that the southern district of Chicago should know of the excellent standing of Auburn Park hospital.

The efficient care and attention given patients have merited attention of the government and have designated it as one of the three government hospitals for the Great Lakes district to take care of the employees of the government, soldiers, marines, government inspectors, post office employees, also government railway employes as postal clerks, besides the U. S. shipbuilding employees.

The Chicago Board of Health also recognizes its efficient care and has designated this hospital to which all nurses and doctors south of 47th St. must bring defective school children for examination and treatment.

People living down state and the adjoining states depending upon the hospitals of larger cities naturally avail themselves of the superior services offered here. Probably this is due more to the fact that the best doctors avail themselves of the many hospitals and come to Chicago. When a difficult operation is advisable, people want the services of the good surgeons and came to the Auburn Park hospital.

The people in the vicinity adjacent to the hospital are aware of its excellent service and as a result of the above named facts more room is urgently needed.

There is only one solution to this overcrowded institution and that is to enlarge it so as to make it available to those needing treatment.

The Auburn Park hospital campaign committee are at work preparing to launch their drive for $500,000 the first of June.

Gold Fish Exhibition

There will be an aquarium exhibition at the conservatory in Washington Park, 57th st. and Cottage Grove ave., from April 11th to 18th inclusive. There will be about forty large aquariums of rare fish and sea products, everything to interest the lovers of aquaria.

Delays in Delivery Unavoidable

The express drivers strike has caused the parcel post service to become overcrowded and every central postal station in the city is loaded with packages and papers that are constantly accumulating owing to the shortage in help. The postal employes are doing their best, but there is a limit to human endurance, and this poorly paid and unappreciated department of our government are about overwhelmed. We mail everyone of our papers Thursday night at the Englewood postal station and the carriers and clerks do their best to distribute them as promptly as possible. We and they can do no more, hence we must ask the forbearance of our subscribers, especially those of other stations.

Dr. Anderson resigned his pastorate some years ago to become superintendent of the Chicago Baptist Executive Council, in which position he has shown a large gift of Christian statesmanship. In connection with that work he has made a careful study of the problem of assimilating foreign speaking peoples into American life, and because of his profound understanding of this field he has been called to be the first president of the new Polyglot College which the American Baptists are establishing in New York. A million dollars is being raised by the Baptists for this project in connection with their great new world movement drive. It will be a great pleasure and privilege for old friends of Dr. Anderson and for many others to hear him at this time, and to wish him success in this new and important task.

The hall was packed to the doors and Judge Marcus Kavanagh was the orator of the evening. He received a splendid ovation, the audience rising as he entered the hall as a mark of respect to this great soldier, orator and purist. The Cunningham sisters of Beverly Hills rendered a cornet duet very creditably and Miss Straub of St. Margaret's Choral Society, accompanied by Miss Lou M. Wall, sang patriotic Irish and American songs and was encored. Judge Kavanagh joined the Robert Emmet branch, to the delight of the members. A large membership was enrolled and the entertainment was concluded by a dance in which the young men's club of St. Anne's parish participated and on the whole it was a most enjoyable and successful entertainment and mass meeting. The next mass meeting will be held at same place Saturday, April 24. Professor Gonnelly and others will speak.

New Baptist Pastor

Popular Boston Pastor Assigned to First Baptist

The splendid corps of Englewood ministers is now strengthened by the coming of Dr. George R. Stair, late of Boston, the new pastor of the Englewood Baptist church, Stewart and Englewood Aves., who begins his ministry the coming Sunday, preaching both morning and evening, and regularly every Sunday thereafter.

When the pulpit of the Englewood Baptist church was left vacant something over a year ago by the resignation of Dr. Smith T. Ford, the committee charged with finding a new pastor searched the country from the Atlantic to the Pacific, carefully considering nearly a hundred names, in its determination to find the very strongest and best fitted man possible to obtain for the pulpit of this great church. Its

Rev. Geo. R. Stair

choice finally fell upon Dr. Stair, and he accordingly was called from his notably successful pastorate of the historic Dudley Street Baptist church of Boston—a church famous for the great preachers who have served there, the list including Dr. A. C. Dixon, who has only recently resigned the pulpit of the world famous Spurgeon Tabernacle, London, England; Dr. Bustard, now pastor of the Euclid Avenue Baptist church, of Cleveland, and others almost equally well known.

Being convinced that Englewood, because of its great and rapidly growing population, with its countless thousands of young people, offers a marvelous opportunity for aggressive and fruitful Christian work, Dr. Stair accepted the call tendered him, and Boston's loss becomes Englewood's gain.

Dr. Stair is a preacher of the first rank, a man whom the people of Englewood will delight to hear. Of magnetic personality, somewhat dramatic in style at times, a painter of vivid word pictures, he nevertheless does not rely upon these attributes, but commands the attention of his hearers by the quality and content of what he says rather than by eloquence alone, although he possesses that gift in a very marked degree.

The new pastor of the Englewood Baptist church is evangelical and orthodox, standing squarely for the old gospel and the integrity of the scriptures. He was for some years very intimately associated with the late J. Wilbur Chapman in evangelistic work, and was Mr. Chapman's chief assistant in the campaign conducted in Chicago a few years ago.

Englewood is to be congratulated upon the coming of a man of the reputation and attainments of Dr. Stair, and extends to him and his family a most cordial welcome.
